Regular Programming

Sunday School

When: Sundays, 9-10:15 a.m. Where: Youth Lounge What: monthly emphasis on a Bible-centered practice
We have free time and breakfast until 9:15. We pray together, then start the lesson by 9:25. By 9:40, students split into random groups each week to connect with different peers. Each group is guided by an adult to practice the month's emphasis together.

We have monthly Service Days when we partner with other ministries. There is no Sunday School for Family Services.

Youth Group

When: Sundays, 5-7:30 p.m. Where: Gym What: mutual encouragement toward personal application
We have free time until dinner at 5:15. We worship together at 5:40 before splitting middle school and high school students. One group does their lesson, group time, and then a game. The other begins with a game, then does their lesson and group time. Everyone ends at 7. Then we have free time until 7:30.

We're trying something new! We'll have monthly Family Nights when the whole family comes from 5 to 7:30. These integrate student game and worship nights with parent discussion and prayer nights. We're excited to see how God grows us together!

Dates to Note

- January 20: Family Service Day. Work on the Youth Lounge as a family. Pizza included for dinner. 3-6 p.m.
